POINTS TO REVIEW BEFORE COMPLETING THIS FORM:
- You must determine if you are updating an individual person's provider number or a business/organizational provider number, and complete a separate form for each number to be updated. National Provider Identifier (NPI) verification should be submitted if applicable.
- Business/Organization providers:
  - If you have a new tax ID without change of ownership, complete this form and send us a new W-9 Internal Revenue Service (IRS) form for our records. This form is found at **www.irs.gov/pub/irs-pdf/fw9.pdf.** Include the date former number became invalid, and the date new number became effective. (Note: no bills will be payable for dates of service after the termination date of the previous provider number).
  - If you are new owners of a tax ID already established in our database, please complete a new provider application (MEDCO-13 or MEDCO-13A) for our files to show authorized agreement signature and ownership information. You do not need to complete this form.
